

MERCIFUL GRACE BAPTIST MISSION

Brgy. Puey, Sagay City

To: PAME

To God be the glory for all the blessings in our ministry here in Brgy. Puey, Sagay City. Every week we have Soul winning program, Bible study and Gospel tracts distribution. Praise God for the Gospel Tracts Distribution Ministry. I joined to the group of Pastor Nono of distributing tracts in the vicinity of Bacolod City. For me that was one of my experience in the ministry that encourage me to have a bigger vision to reach out the lost souls. Those who (people in Bacolod City) gave me time to explain the tracts it's always my privilege to introduce our God to each of them. After that event, every week we give out tracts to our nearest places sometime we reach up to 700 tracts distributed. We share the gospel to the people in order to save but first we are the one who grow deeper relationship in God and increasing my desire to serve Him more. And thank God our attendance every Sunday worship is increasing, we are now in the average of 30.

Thank you for the partnership in the ministry, your financial support is a big encouragement to us to expand our ministry.

Prayer Request: Repair of our Church Building, Members faithfulness and prospect for Baptism.

God bless!

Your Missionary,

Pastor Encencio Calo
