Greetings in the name of our Lord and savior Jesus Christ!!!!

Firstly I would like to thank you church for your prayers and support and to PAME. This time I want to give some updates on what God had been doing here for me in Thailand. Last November 25, 2016 I had finish my 15 months language study at school. I've been going through the eye of the needle but I just want to thank the Lord for the grace of God which is sufficient all the time. Right now I can write, read and communicate in Thai already. Last November 26, 2016 we took the level six exam in Thai already it's very difficult because it includes four skills which is reading, speaking, writing and listening but I can feel your prayers that comfort and enable me, the result will be this coming January 25, 2017. God has an advance Christmas gift for me last November 29, I received already my Missionary Work Permit, this means that the government of Thailand recognize me already as an official Missionary here in Thailand and I can start a church legally already and sponsor the visa of my future wife and family.

I plan to start a church this coming April next year with the medical mission from our church Bible Baptist Church La Carlota City and some Doctors and nurses from U.S. , from this time to April I will focus in studying the Thai Bible and practice my Thai that I learn from school through Preaching and teaching in a church that I am helping right now. By God's grace I preach three sermons already in Thai and it's all by the grace of God. I just want to know you church that I reached this far because there is a church that Pray, Support and Believe that God will do something through me. Thank you very very much Bible Baptist Church, La Carlota City, Philippines and PAME.

Prayer Request:

Perfect leading of God for the place to start a church next year
Perfect leading of God for the Partner (wife) in the Ministry
