

# MOUNT GILBOA - SAUL

M

The Philistines marched into the valley below Mount Gilboa. They came to make war against King Saul. Saul and all the army of Israel were on Mount Gilboa, and the Philistines were in the valley and hill to the north. Saul looked down and saw the large army of the Philistines. He was afraid. Then Saul did a foolish thing. He went to a witch to get help. This woman said she had the power to see into the future. Saul forgot that only God knows the future. When Saul went to see the witch, he went right by the camp of the enemy. This was foolish! Saul did not trust God or ask God for His help. The next day the army of Israel was defeated. King Saul and his three sons were killed.

When David was king, Israel drove out the enemies in the valley below Mount Gilboa.
