**NEWSLETTER FOR THE MONTH OF APRIL-JUNE 2015**

Dear Pastor and Prayer Partners,

We thank our God for every remembrance of you. We have many things to thank God for especially in testifying the works of God in our midst. We appreciate you so much for your prayers and financial support for us as we continually do God’s business.

**Released of the Container.** For almost two months, we had a hard time in claiming our 10x10 container van that contains thousands of Bibles and millions of gospel tracts from the States and finally we had received them. We are so thankful to God for His provision because the Philippine Bureau of Customs had required us to pay a big amount of money. Finally we have them in our hands, praise God!

**Abundant Life Ministry.** For six months already, we had started this new discipleship ministry in Bacolod City which is the capital city of our island. Our attendance is increasing and we cannot accommodate more to attend because we lack space and have no room enough to receive people. We are looking for a bigger space where we can accommodate 80–100 people. It is a great blessing because the attendees of this ministry are so eager to know more about God, growing in the Lord and some of them cannot wait to have once a week meeting but they go to La Carlota to attend our church services. What an encouragement!

**Tracts Distribution Ministry.** We had distributed 125,000 gospel tracts in three cities of our island which is Sipalay City, Cadiz City and Bacolod City which is the Capital city of our island. What a great challenge to give away gospel tracts because some are responding us that they are convicted of their sins, some received Christ as their Saviour and some Christians who received tracts are asking for more tracts so that they can help us in spreading the gospel.

**Foreign Mission.** Last month, we went to Thailand with our missionary Jireh John Nono who was commissioned as full pledge missionary from our church. We were there for a week, and have seen the great need for missionary in this country – Thailand. We left Jireh John there and he is so excited to start a missionary work but at this point of time he needs to study first the Thai language.

**Prayer Requests:** Please help us pray for a permanent meeting place for the Abundant Life Ministry in Bacolod City; Also pray for our Bible College students that they will finish what they had started because there is a great need for more preachers and pastors nowadays; pray for wisdom in learning Thai language for our Missionary in Thailand- Bro. Jireh John and for his **urgent need of \$400 to buy a second hand motor cycle** as his service vehicle.

Once again, we thank you so much for constantly praying for us.
