Greetings in the name of the Lord Jesus Christ

Bible Baptist Balabag Extension is keep on growing. I am very encouraged to see some faithful members continuing in serving the Lord. During the Youth Revival Camp eight young people attended and surrendered their life to God.

Every Wednesday we have home bible studies, and every Thursday morning we are conducting campus ministry at Balabag Extension High School. Also, have a Midweek Service every Thursday night. Every Sunday night we hold Extension Church and many members are attending the service.

We baptized three believers and now they keep on serving the Lord by God's grace the work of the Lord here in Balabag is expanding and growing. Thank you for your kind support may the Lord bless you always. Thank you so much.
