

BIBLE BAPTIST CHURCH BALABAG EXTENSION  
Baranggay Balabag, La Carlota City

Dear PAME,

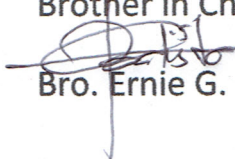

Greetings in the name of the Lord Jesus Christ!!!

I really appreciated your great help and financial support in us. Last two months ago in the month of September we do the same activities. Home bible studies, campus ministries, and soul winning are the tools that booster our attendance every mid-week service and extension church. Other young people brought their friends and attended our extension church every sunday. We keep on praying the old members here in Balabag to attend every church services.

Last month on October 24 to 27 we held our Youth Sportsfest with the theme **STRENGTH OF THE LORD**. By God's grace I brought ten young people and most of them are volleyball players. I invited them on Sunday afternoon service and some of them accepted Christ as their Lord and personal Saviour. And as of now they are faithful attending every church services.

This November I encourage all young people and the adults to visit the old members to attend the service and so far right now I saw members attended our Sunday extension church. Thank you so much for prayers and your financial help may God bless you all.

Brother in Christ,

  
Bro. Ernie G. Balista
