R E M A R K S:

The church grows a little beat from previous years, souls got saved and we baptized 42 souls this year. Our attendance increases also from 90 last year to 100 at present. The church comply projects. We have now our piano, and the tiles of mezzanine. A new church adopted as our mission and our missionary take charge. The mission project climbs higher this year. Pressures, problems are already encountered but the God of the Harvest is always true to his promises. Praise the Lord we aimed to do more this year by the grace of the Lord because we believe that “THE BEST IS YET TO COME” Please continue to pray for us and help us.
