

Dear Bro. Cotter,

Greetings in the most precious name of our Lord Jesus Christ.

The Lord is so great and greatly to be praised. I'm happy to impart God's blessings upon us and the church. Last march 29 we celebrated our 12th Church Anniversary. Praised God for the souls got saved. We have 101 in attendance and 11 souls got saved. What a beautiful blessing we had that day for God answered our prayers and He has given us a good weather and a good service that day.

The next day, we attended the 23rd Revival Youth Camp at Caliling, Cauayan and 21 young people had attended and was blessed by the messages and the result, 3 young people got baptized and were added to the church.(see attachment below)

Praise the Lord also for we had a first graduate of disciples who finished their discipleship training last April 25. they were used by God in a special way, especially in soulwinning . last March we had an average of 68 souls who got saved through these disciplers. now they are starting to make a disciple also. (see attachment below)

The Lord is so faithful that though there were trials but still His ministry continues. Please continue to pray for us as we labor in His vineyard here in Handuamanan. Thank you for your support spiritually and financially.

In His service,

Pastor Gene Garcia
