PAME

Christian greetings!

Our church advances this past months with the help of your prayers and financial support. Last April youth camp we brought 82 young people from our church and we baptized 13 after that said event. Month of May we hold Daily Vacation Bible School and have an attendance of about 400 kids every day. God is so good that every Sunday we lacked chairs for the people who worship that's why last week I just bought an additional 12 chairs. Our discipleship program advances that we have now 27 disciples who graduated already. Thanking you for beginning this ministry.

Prayer Request:

1. Church lot and building
2. Personal Laptop
3. More Discipleship materials
