

PAME Report

Pastor Philip James P. Nono and Mrs. Jedidah S. Nono

Our testimony as a couple begun on December 17, 2014 as we exchanged our vows before God into marriage. We are both Preacher's kid and grew up loving and helping out in the ministry. We're both trained and nurtured in a full-blood Bible-believing, Baptist-standard culture. James graduated from his Bachelor of Science in Information Management at St. La Salle University on year 2007 and with his Masters in Pastoral Theology degree at Hyles Anderson College last 2011 while I, Jedidah, finished my Bachelor of Science in Nursing at St. La Salle University last 2008. If I have to tell in detail the journey of our love story, I'll just simply express it through this: "If it's God's will, it's sure to happen." We are now happily married for 7 months and are on Church Staff at Bible Baptist Church, La Carlota City under the leadership of Dr. Edgar B. Nono. We are involved in various ministries as a couple and separately and here are the ministries we are in:
