To: PAME

We are so grateful to God for the great things He has done in Sipalay for the past 3 months ( April, May, June 2015) we praise God for leading us many activities done during this months. By God's help we were able to conduct our Daily Vacation Bible School last April with 96 children saved. By God's grace we also had our 4 days revival last April and May with 197 soul saved. By the month of June God gave us opportunity to reach out the police station and high school with 256 soul saved. And by God's help leading they learned to go to church and listen God's word three times a week. And by this we thank God for giving us 40 -60 plus attendance every prayer meeting and 30-40 attendance every Sunday service .God gave us 5 souls baptized and have been faithful until now by God's grace. And all of this, we all give glory to God and thank Him for giving you to us as our partners in the ministry. We owe greatly to you! Thank you for your financial support every month and for including us your prayer list! Indeed you have great part for the souls been saved, baptized and followed Christ and surely you will be rewarded for this. We always pray to Him that He will continue to bless so you could do more for His glory.
