

Bible Baptist Mission  
Sipalay

Great is God's faithfulness throughout the month of September to November 2015. Despite of trials and challenges God enables us to do his work in Sipalay. Thank God for your prayers and help during the surgical operation of my wife and to the ministries in Sipalay City. By God's grace we are given two days bible study in high school every week. We are thankful to the Lord for this privilege we can share the gospel to different levels each week and invite them to attend our midweek service every Wednesday and successfully there are some of them that attended. Each week also we have our bible studies to our new outreach and cottage prayer meeting to family members. By God's grace every Sunday God gave us 20-40 attendance. By this months we reached 20 soul saved on one on one encounter and 176 souls saved on our services. And by God's help 2 souls was baptized again. We always thank God to you people who heartedly given your financial help and sincere prayers to us. It's been a great blessing knowing you kind person. Though we haven't personally thank you but God knows how grateful we are to each of you! We will always pray for you and for this ministry in helping pastors and missionaries as we fulfill God' great commission. GOD BLESSES YOU MORE!

In Christ,

Pastor Joesvin Espartero and  
Family
