To: PAME

To God be the glory!

Great things He hath done throughout the year of 2016! So many challenges, troubles, problems, trials and tragedies came into our lives and the ministry yet we have seen God's loving kindness and gracious provisions in the midst of various needs. By God's leading and wisdom the ministries increases as well as the people goes to the church. In this year feeding program, discipleship program, extension church, prayer fellowships and vigils, medical mission, revival nights, child dedication and extension classes were added to the ministries. By God's help we reached a total of 553 souls saved, 7 souls baptized and 1 changed membership, 7-22 disciples in discipleship program, 200-2356 pesos of offerings, 24-73 church attendance to different church services, 2-4 bible studies every week, 22-26 attendance in church extensions. Last December we by God's grace we had our 5th mission anniversary with 83 attendance and 33 professions of faith. We truly praise God for making it successful! And throughout this year we have seen your gracious hearts to help behind these works. Thank you so much for helping and assisting our needs. We always thank the Lord for all your prayers which we truly need, effort and financial help. Praying that God will bless you more of life and resources as you continue doing what the Lord glorifies.

Thank you and God bless us all.
