

BEREAN BAPTIST CHURCH DOHA QATAR

The Church with a Heart for World Missions 09 Sept. 2015

MINISTRY PICTURES

Dear Dr. Gerard Cotter,

“A Waiting Sinner – A willing Saint” this was the theme of our 5th World Mission Conference which took place in August 21-28, 2015. Pastor Gilbert Toquero was gracious enough to spare us ten days of his precious time to challenge us to DO MORE for the cause of world missions. Our hearts were stirred through the messages that were preached. Our faith has been challenged which is marked by the increase of the commitment that was made. We praise the Lord for continuously using us in His vineyard.

After our WMC the Lord allowed me to visit Bethany Bible Baptist Church in Hyderabad India under the leadership of Missionary Don Altura, his wife Sister Gladys, their kids, and their helpers Sister Flor Codico and Sister Joy Villamor. The church just had their 1st Church Anniversary and 2nd World Mission Conference. I am really blessed to see what the Lord is doing through our missionaries there. The testimonies of the believers are inspiring. It was also good to see the family of Missionary Mark Maglasang and some of their members.

During the past month the Lord has given us new opportunities to win souls. This includes a new Bible Study for a group of African drivers from Kenya. Their accommodation is at St. 52, Industrial City. Several guys have made profession of faith already (one is a guy by the name of James Paul which Ptr. Toquero led to the Lord when he was with us). 27 out of 78 men are now attending the BS. Please pray that more of them will get save and that they will submit in believer's baptism and serve the Lord the rest of their life.

Another ministry that was started was a HOSPITAL MINISTRY. Bro Kenneth Ranot and other members of our church help care for Filipino patients at Hamad Hospital. Most of the patients here doesn't have relatives to care for them and it's an opportunity for us to be a good Samaritan to them. As of now we are helping three stroke patients. Artemio from CDO, Alan from Surigao, & Ruel from QC. Artemio & his wife (Malou), Alan and his son (Al John), & Ruel, his wife & son already professed faith in the Lord

Jesus Christ as savior. The other day we spoke with one of the nurses to please inform us if they have Filipino patients who would want us to assist them and pray for them. I believe this is another open door for us.
