Dear Pastor

Greeting in the name of Christ!

Thank you very much for your prayers and support. Last July 26, 2015 was our first church anniversary of Lifegate Baptist Church, Preyveng province. What a blessing to see my loved ones accepted the Lord and personal Savior. There are 35 people got saved and 7 people were baptized. Thank you for your prayers and our partnership. Our labor is not in vain.

Fifteen years ago, Missionary Dr. Leo Tago and his family arrived in Cambodia. Without him, I will not be in the ministry. For six years, he was my mentor and I am privilege to work together with him in the ministry. He always challenged and encouraged me all the time to be faithful. What I am today because of him. Now, I will continue his vision "to reach Cambodia and the regions beyond." Thank you for supporting him and his family.

Please continue to pray for our Bible Institute. What a joy to see the fruits of our labor. Lucro Makara is our first fruit in our Bible Institute. Please continue to pray for us as we continue to train our members to get involve and equip them in the ministry. TO GOD BE THE GLORY!

In Christ Alone, Pastor Daniel Ly
