Dear Pastor. Cotter

Greetings in the name of Christ!

This is my testimony and my vision for the ministry here in Cambodia.

My name Ly Slorn. They call me(Daniel) easy to remember, when I have a new life I have a new name. By the grace of God, I got save on 23rd October in the year 2004 by the ministry of English class, during I studied Grade 10 and I stayed in the church until grade 12.

After I graduated from high school my mother wanted me to be a teacher, but I felt God called me to serve Him and I wanted to know more about the Lord Jesus Christ. So I decided to study Bible College in Phnom Penh in 2007. I am a working student then, because my parents are not able to support me. They don't like me to study Bible school. From the time I'm studying the Bible School, they always call for me to find work instead in order to support them and blame me with so many reasons. But I have decided to follow Jesus, no turning back.. no

turning back!

I continued serving the Lord and I pray for them to be saved and I truly believe that God will save them because the Bible said, "Believe on Jesus Christ and thou shalt be saved and thy house," according to Acts16:31. And by the grace of God, after five years of my praying, my father got save and baptized so with my mother got save and baptized, my brother Benjamin,

my sister Benna, and some of my relatives, they all got save and was baptized and now they are faithfully serving the Lord in my home town in Prey Veng province. So I thank you personally for being a partner in the ministry in Cambodia.

Currently, I am serving the Lord with missionary Dr. Leo Tago of Lifegate Baptist Church. First, was a janitor in the church then a Tuk Tuk driver, a car driver, then I become a song leader, a Sunday school teacher, a soulwinning director, then I became a Preacher and a missionary to the

border of Preying, Cambodia and Vietnam. We will train Vietnamese to become preachers and send them back to preach in Vietnam, that is a communist country. Now, I am installed as the Pastor of Lifegate Baptist Church and Missionary Leo Tago as our overseer. I am also tasked to facilitate the Church's training center, the Halley's House of Hope (HHH).

These are all happening by the guidance of the Holy Spirit and with all your prayers and support. We will never reach this far without your support. By now, the Church has a new vision for the next five years — to reach Cambodia and beyond. We are about to do the first step in reaching the Central and Southern Vietnam Borders, which are just few kilometers away from Preyving Provinces. We are praying that we can visit the Border once a month and to conduct Bible Study in Preying twice a month. We are in need of a motorcycle, it costs \$1500, that can be used for transportation in going to the mission areas. We are excited and more challenged to reach more people to the Lord in these last days. We covet your prayers in this plan. OUR LABOUR IS NOT IN VAIN IN THE LORD!

In Christ,

Daniel Ly Preyving Province, Phnom Penh Cambodia
