To God be the glory of all He has done!

Thank you for financial support for the missionaries. Every month we received the report of the missionaries that supported by Philippine American Ministry Enhancement (PAME). We are so blessed for the progress of their ministry. They are engaged in different activities of their ministry. Every week they have a Soul Winning program, Bible Study, Extension Classes Program (Bible story telling for kids), Campus Ministry (Bible study in the school), Radio Ministry, Gospel tracts distribution, Discipleship program.

We thank God for the new ministry of Pastor Robert Montealegre and Pastor Jonnifer Alionar in Hinoba-an, it's an opportunity to be involved in Radio Preaching Ministry, to preach the word of God through Radio, through this they can reach out people even in the mountain area. Pastor Robert Montealegre also have a Bible study at Police Department in Hinoba-an.

Pastor Marlon Leyte have a new program in his church last summer that is Summer Bible Class, he went to different areas in his place to gather people where he can teach the word of God. Many attended and got saved.

Pastor Allan Dimpo in Kabankalan , praise God for his dedication in the ministry. He preached the word of God in every market day of Kabankalan City and the same time his members distribute the gospel tracts to the people. It's an opportunity to preach the word of God and give out tracts in the crowded area. Only by the hands of God touch the hearts of the people and to understand the gospel in order them to save. His work is not in vain. If God's willing they want their church to organize this coming December 2015.

Pastor Vither Lapore, his church hosted the Women's Conference. It's an opportunity to gather the women of the fellowshipping churches; they fellowship, knowing each other and to established the Christian relationship. The important of this conference is to give information to the women how to go deeper relationship to God in spite of being a busy to their responsibilities every day, information how to take care their health and the health of the kids. How to be a good example to the young ones.

Pastor Anthony Villaester in Ma-ao, every market day, Pastor Villaester and with his members go to the market and give out the gospel tracts. It's an encouragement to the members to be involved to the work of the ministry.

Thank God for the life of Pastor Neil Escanillan, he has not graduated from any Bible School but God used him to reach out the lost souls. He undergone training for six months (6 months) under PAME and now he is a Pastor of Banqueruhan Baptist Church in Cadiz City. God truly blessed his work. He has Bible Study Ministry, Youth Fellowship, and Visitation Program. God used his life in the ministry. One great blessing, someone offered him a lot where he can put up bigger church building. Pastor Encencio Calo, God used him to reach out his fellow native Filipino. He is a Pastor in the mountain of Sagay City. He can't read and write well but God used him to spread out the word of God in the mountain. He has Bible Study and Soul winning program.

Pastor Sonny Carias in Samar, the farthest missionary supported by PAME in this Island. He has an Extension Classes every Saturday, Bible Study in Prison and Soul winning program.

I did not mention all the pastors and their ministries but I know how God blessed their ministry and used them according to his plan. Through the training and financial support of PAME to the missionaries, it's a big impact to them to do more in the ministry. What a great expansion of ministries they have. Pictures of the work are placed on Facebook by many of these pastors.

### **Gospel Tracts Distribution**

Praise be to God, Fellowship Tract league sent a millions of tracts in Bible Baptist Church, La Carlota City along with thousands of Bibles from Bearing Precious Seed. There was a \$7,000.00 local fee for port costs and local shipping paid for through PAME. We share these tracts to the other churches, to our missionaries and fellowshipping churches. We already saturated the vicinity of Sipalay City, we gave out tracts of more than 21, 000 and more than 100 people got saved. We went also to Cadiz City to saturate the place and we gave out tracts of 6000 and 329 people got saved in that area. And the last was in Bacolod City, we gave out tracts of 114, 197 and many souls got saved. Thank you to Pastor Joevin Espartero missionary in Sipalay City, Pastor Neil Escanillan and Pastor Ferdinand Magallanes who joined us and offered their church as a base where we can stay and lodge our things and tracts. And thank you to the young people, church workers and members for participating to this ministry.

Philippine American Ministry Enhancement extends help to make these things possible. It's the way to reach our goal to give out tracts to every people in this Island. Thank you that you've been a part of this Gospel Tracts Distribution Ministry.

### **Sending Missionary to the Foreign Land**

What a great blessing that we send out missionary in a foreign land. Bro. Jireh John Nono graduated in Bible Baptist College of La Carlota City Neg. Occ. He has been a staff of almost 10 years; also he was an assistant Dean of Bible Baptist College and a youth pastor. He surrendered his life in serving God. God called him to be a missionary in Thailand and he's willing to fulfill the plan of God to his life.

Last April 2015, Pastor Edgar Nono, Mrs. Marilyn Nono and Bro. Gerard Cotter go with him in Thailand to survey the place and also to introduce him to the friend of Pastor Nono, who have a church in Thailand where he can stay and the same time to familiarize the place and the culture. But his main problem is the language because Thai people cannot understand English Language. The reason why he is

studying the Thai language is in order to communicate well to the Thai people and also he can start his own ministry there.

Thank God He opened many doors how to reach out the lost souls even in a foreign land. Glory to His name.

**Trip to Mindanao**

We praise God for the opportunity to visit Valencia, Bukidnon (Mindanao) and through that visit, we were able to host a One Day Pastors' Fellowship and there were forty preachers showed up in that meeting. The thing that blessed our hearts was that we have seen and felt their passion for souls, their eagerness to reach out more souls and they are hungry of fellowship among Pastors. The most important need of the preachers that we have seen during our visit was that they need the ministry of PAME to be extended in that area.

Please pray that there will be more preachers/pastors to be revived and enhanced in the ministry where they will be more effective in reaching people and passion for souls will be deepen.

All of these, only by the grace of God and we praise Him of what He has done for us and for the ministry. Thank you and May God bless us.
