**“The Lord hath done great things for us; whereof we are glad.”
(Psalms 126:3)**

Dear Pastor and Church Family,
A warmth greeting from VIETNAM!

This is our theme last Sunday, Mar. 29, 2015 during our 6th Mission Church Anniversary celebration, and truly that God has done great things in His Church, and He has done it again! He has proven His power and He has done great works in us. Through testimony, He used Brother Craig Davison, how God changed his life and we saw 5 of our attendee were teary eyed as God worked and touched their hearts through the story of this man. Pastor Daniel White from Michigan gave us a soul searching messages that cause us all to search our love for the Lord, “if it’s in the Being of our being, if it is in the spirit of our spirit and if it is in the soul of our souls”. He ended up in the way of salvation through Jesus Christ. What a tremendous preaching! The Lord

indeed manifests His presence during our gathering without disturbances of the local police or security guards in our meeting place that always roaming around and checking up in our building. God accomplished His works, His plans and his purpose. He received the Glory and Honor. There 10 people who stood up in the midst of the congregation and profess without shame as they confess the Lord Jesus Christ with their mouth as their Lord and their personal Savior. T’was a great joy and overwhelming feeling from the bottom of our hearts to see these people whom we prayed, we labored and we desired that they will be saved and in the midst of the congregation they stood up without shame. Thank you so much brethren and partners for your unceasing prayers, financial help, concern and affection of love. We are reaping together in this harvest. Thank you for your trust for us.

Continue to uphold us in your prayers as we stay here in Vietnam, we just don’t know what will be the future that holds for all of us...only God knows. Every foreigners living here is in great panic for the problem of Visa, work permit and requirements of the governments, is truly a troublesome. But while we have the opportunity, we used the very ounce and drop for the glory and cause of the Lord and His Gospel for the lost people. We urge you to pray also for MIA AND MICHELLE we called them in their English names, these 2 Vietnamese ladies who stayed with us and study the Bible, they want to serve the Lord in full time service and to become missionaries. We start to train them for their future use for Gods glory.

“Our humbled hearts had acknowledged how great the LORD we served here in the foreign field. We are grateful for His great love, mercy and grace to my family and to our church people; thanking Him for His provisions financially, physically and spiritually. We are so blessed to see souls that God has changed their lives, souls were been saved, baptized and members faithfully involving in the church; though, we’d been sad that some had gone back because of family pressure and persecution. But we praised God for those who remain faithful and steadfast in their faith. May you will include in your prayers our church here in Vietnam

We are grateful to God for you all for being always there for us; in problems, financial crisis, difficulties, and trials, you and your church people never ceased to pray for us and helping us with our needs. Thank you very much for your sacrifices, love, generosity and kindness to our family and to the ministry here that God entrusted to us. Your prayers enabled us to keep on and to press forward towards our goal!

You are all in our hearts and prayers. God will continually bless you abundantly especially your whole family, your church members and the ministry there. God blesses you!

Yours for the Souls,

THE JALANDONI Family
