To: PAME

Thank you very much for your support. Our labor is itinerant mass evangelism is non- stop. We engage in Open Air Gospel Preaching and day to day distribution of gospel tracts as the Lord provides. By God's grace we we're able to buy a good tricycle so we can help facilitate the speedy distribution of gospel tracts.

Please pray for our health, safety and physical fitness. May the Lord make us steadfast, diligent and consistent always abounding in the work of the Lord. We believe in the urgency of evangelism in the word of our Lord Jesus, "The night cometh whereas no man can work..."

May the Lord richly bless us!

Yours in His glorious ministry,

Ptr. Romeo Gilpo
