

ALLEN BAPTIST MISSION
Northern, Samar

To: PAME

Greetings in the name of our Lord Jesus Christ!

The Allen Baptist Mission in Northern Samar, we thank you for your prayers and financial support to our ministry. Your support is a big help for the ministry for the additional finance to our weekly activities. You encourage us to do more in serving Him.

This second quarter of the year (April- June 2015), we praise God for the additional members to our church. We baptized 7, as a result of our Bible Study, Extension Classes, Soul winning. In our Bible study we have two (2) areas every week with the average attendance of 10, Extension Classes (Bible Story telling for kids) every Saturday, average attendance of 30 Children. Our Sunday worship we have an average attendance of 20. Our house serves as a church, that's the reason I cannot accommodate bigger crowd. But this is not the hindrance for us to stop serving Him and stop reaching people to share the Word of God. We always thank God for all the blessings to us and to our ministry.

Thank you for Pastor Edgar Nono for sending us gospel tracts. Every time we go out for soul winning, those who cannot perform soul winning they give out gospel tracts. Through this we reach out more souls to be saved.

Our prayer request:

1. More souls to be saved
2. Prospect for baptism
3. Faithfulness of the members and their involvement
4. And lot and church building

Thank you very much and God bless.

Yours for souls,

Pastor Sonny Carias
