ACKNOWLEDGEMENT AND THANKSGIVING

Praise be to God for His unfailing grace towards us. Third quarter of this 2015 started with the empowering of the women in the church. We hosted a women's conference and was attended by eight churches from nearby towns and cities. Mrs. Marilyn P. Nono of La Carlota Bible Baptist Church, Mrs. Arlene Garcia of Handumanan Bible Baptist Church, and Dra. Ever Joy Nono werethe speakers.

September marks our fifth mission anniversary. God is ever faithful to sustain us and strengthen us in the work of the ministry. Our hearts are filled with awe and praises as we recalled God's faithfulness to us and how He blessed the church through all these years.

Once again, we recognized the efforts the prayers and support of the brethren who in one way or another was used by God to bring success in the ministry.

To God be all the glory...
