

Table of Miracles in the Old Testament

While I was studying for the document called [Lord Jesus Christ](#), I searched for a [Table of Miracles in the Gospels](#) but could not find anything close to being complete and accurate. Therefore (with prayer), I created that table. Then to finish out the table, I created this table and the [Table of Miracles in the New Testament](#). However, unlike the [Table of Miracles in the Gospels](#), these additional tables are not the result of my direct personal study but are a compilation of information that I found elsewhere (from several sources). If anyone can show any error in any of these tables or know of a miracle that I missed, please send an email with the correction.

I pray that this table is helpful to many people's personal study as they try to compare scripture to scripture and get an accurate understanding of the Bible.
